

Park Side is a casual all-day café by PS.Cafe, designed like a little cottage by the park — open, welcoming, and made for lingering. Inspired by slow weekends and picnic afternoons, our menu leans into modern comfort food with a curious local spirit.

Park Side

Rooted in Singapore's diverse flavours, our dishes reinterpret familiar local accents through a Western lens — bold, punchy, and comforting all at once.

Gather, graze, and enjoy good food in cheeky company.
